## FIRST TEAM - AUGUST RECAP

 **2-1**  The Green White First Team opened the new season on August 30, 2009 with a matinee performance against last season's 3rd place finishers, HNK Zrinski. The game marked the debut of new coach **Jake Truty** and a number of new faces in the lineup had the Green White faithful optimistic about the start of the new season. And after 20 minutes, the confidence only continued to grow as Green White had the better of the possession and created several good chances. The opening tally was nicely worked across the face of goal and knocked in from the eight yard line by **Kyle Retzlaff** off a feed from **Justin Dugena**. Unfortunately, the goal was given back 10 minutes later on a strike from in close. But Green White were not to be denied on this day. Still in the first half, **Niko Voules** came on as a substitute, and made an immediate impact. The young, second generation GW player found himself on the end of a flurry of blocked shots, including his own. But with no shortage of hustle, **Voules** chased down his turned away effort; put the closing defender on his back with a sliding tackle; and raced back toward the goal from whence he came. As he neared the target, **Voules** curled in a cross to pick out **Dugena** for the snapping header into the corner of the net. Later, GW nearly made it a two goal advantage, but the near post saved the blushes of the Zrinski keeper who took rather lightly a seemingly innocuous strike from distance

from **JP Reyes** that just missed the mark. In the second half, both teams had several good chances, and as the game wound to its conclusion **Dugena** rued a handful of near misses that would have closed out the game. But all was forgiven on the final whistle as GW walked away with the 2-1 victory and a rightful position at the head of the table.

## RESERVE TEAM - AUGUST RECAP

 **6-5**  On August 30, 2009, the Green White Reserve Team opened the 2009-2010 Metropolitan League season at home against HNK Zrinski. The scoring commenced early and often in this defensive battle. The opening goal came when **Kurt Melcher** sent through newbie **Ricardo Herena** on the left. **Herena** sent a low cross into the box met by the side-foot of **Tom Czop** for his first of the day. Zrinski equalized with a bomb from distance, but GW came right back with **Rob Czop** leading **John Parsinen** into the box. **Parsinen** attached the ball with a sweeping slide to usher it along to **Tom Czop**, who put it past the keeper with a second effort. But going into the half, **Nate Walker** found himself stripped of possession twice, allowing Zrinski to add two more before the break. The visitors extended their lead on a break away following the intermission, but GW pulled one back when **Rob Czop** was taken to ground in the box and **Tom Czop** converted the penalty. But the see-saw continued when Zrinski hit for their 5th, extending the lead to 5-3. And then came the comeback. First, **Neaman Lewis** was chopped within range for **Chris Doran** to cut the deficit to 5-4 on the restart. Then **Rob Czop** sent through brother Tom, for the elder's 4th goal of the day and the younger's 3rd assist. Finally, with 10 minutes remaining, the comeback was complete when **Doran** picked out the diving head of **John Parsinen** to seal the victory.

Squad: **Mike Magner** (k), **Rob Czop**, **Tom Czop**, **Chris Doran**, **Ricardo Herena**, **Neaman Lewis**, **Kurt Melcher**, **Brandon McLemore**, **A.J. Nawrocki**, **John Parsinen**,

## OVER 30 TEAM - AUGUST RECAP

The kickoff to the GWO30 Team season was delayed a week due to a softball tournament at Metro-Majewski Park. However, in other Metropolitan Over 30 League action from August 15, 2009: Eagles 1 - Liths 0; Lions 1 - Schwaben 1; Calisia 2 - Vikings 2; Lightning (bye).

 **6-1**  On August 22, 2009, a short staffed GWO30 team traveled north to Libertyville to face a resurgent Lightning SAC. Reports were sparse, but the consensus was that GW did well in the first half with a greater share of possession. But it's the mistakes that hurt you, and Green White had a few as they were caught on the counter-attack for three (3) goals on each side of the break. The lone Green White goal came from **Rob Czop** as he cut through the box after a feed from **John Parsinen**. With a couple weeks off before their next game, the O30 Team hopes to

## OVER 40 TEAM - AUGUST RECAP

The kickoff to the GWO40 Team season was delayed a week due to a softball tournament at Metro-Majewski Park. However, in other Metropolitan Over 40 League action from August 15, 2009: Concordia 5 - Cracovia 0; Rams 3 -

Falcons 1; Eagles - Schwaben (postponed); Youths 1 - Connection 4; Wings - Hrvvat (postponed); Royal Wavel - Highlanders (postponed).

 **0-1**  On August 22, 2009, the GWO40 Team opened the 2009-2010 season with an away fixture against Schwaben A.C. In the first half, Green White came close when **Mark Stein** struck from distance as he eyed the keeper straying from his line. The keeper was well beaten, but the shot hung just a bit and was denied by the cross bar. Soon thereafter, **Art Caliskan** had an attempt from the same area parried wide by the keeper, but an alert **Dan Rogan** chased down the rebound and slotted home what proved to be the game winner. Still in the first half, Green White had a legitimate claim for a penalty when a Schwaben defender, who was already sitting on a yellow card, reached out with his forearm to stop a **Pat Nash** shot on the goal line. It was a cowardly non-call to be sure. In the second half, a tiring Schwaben team resorted to the long ball, but with **Cliff Sellie** marking out Tommy Izrov and **Grant Smale** closing down the midfield playmaker, the remainder of the back line that included **George Lymperis, Eric Gottung** and **Mel Qoku**, mopped up everything in the area. Keeper **Armando Carlo** answered the call at key times, coming off his line to thwart a couple of break-a-ways. But near the end of time, it was **Eric Gottung** who saved the day, streaking behind **Carlo** to pick out of the air with a kung-foo kick a ball that was destined for the back of the net. It was a good start to what promises to be a very competitive season for the alte herren.

Squad: **Armando Carlo (k), Doug Adams, Art Caliskan, John Dunkas, George Lymperis, Eric Gottung, Pat Nash, Rich Moroney, David Nichols, Mel Qoku, Todd Schneider, Cliff Sellie, Grant Smale, Mark Stein, Dan Rogan.**

SMALE GIVES DUNKAS A MUCH DESERVED SHOWER.

**7-2** In other Metropolitan O40 League action on August 22, 2009: United Serbs 2 - Royal Wawel 3; Highlander 4 - Rams 0; Olympic Spirit 0 - Wings 2; Hrvat 1 - Concordia 7; Cracovia 3 - Youths 1; Eagles - Connection (postponed).

On August 29, 2009, the GWO40 Team met Olympic Spirit at Metro-Majewski Park for what would be a high scoring affair. 20 minutes into the match, Green White looked to take the lead on a penalty kick that resulted when **Mark Stein** was up-ended on a cut-back in the box. **Todd Schneider** stepped up to bank the PK against the octogenarian between the pipes, but he pushed his shot just a little light in the thick grass. The lack of power allowed the keeper to smother the attempt, even after tripping over his walker. Thankfully, **Schneider's** blushes were saved by the referee who whistled the visitors for encroaching into the box before the kick and **Schneider** made sure not to miss the retake. Later in the half, **Schneider** sent through **Stein** from midfield allowing **Stein** to pick out **Russell Rosenberg** in front for his first goal in a decade. Seemingly in control, GW took a 2-0 lead into the second half. But a couple of uncharacteristic fumbles from **Gabby Sepiashvili**, sandwiched around a **David Nichols** strike, were an even greater folly than the feeble PK attempt. No one could recall the last time they saw **Sepiashvili** let two slip through his hands. With the game drawn close at 3-2, GW looked a bit shaky to say the least. But then **Stein** and **Sepiashvili** served up several more assists with long punts and pinpoint crosses to put the game out of reach. Green White closed out the game with four unanswered goals; including one from **Doug Adams**; an "excuse me" cross from **Nichols** that slipped behind the keeper to secure his brace; and after he tired of playing the provider, **Stein** turned one in on his

own. The final goal of the match came from **Nick Paul**, who was determined to score against his Greek brethren, and had **Rich Moroney** to thank for providing him with the opportunity. The remaining comedy involved **Grant Smale** pointing to his hind quarters after a spirited Greek's display of frustration at being hounded for the ball. With the victory, the alte herren maintained their perfect record on the new season, but tougher tests await them in September.

## **GREEN WHITE OVER 40 TEAM TAKES BARABOO TOURNAMENT BY STORM**

On the weekend of August 8-9, 2009, members of the Green White Over 40 Team traveled north to Baraboo, Wisconsin for a weekend of camping and soccer at the 22nd Annual Wings Tournament. The Green White group of **Todd Schneider**, **George Lymperis**, **John Dunkas**, **Mel Qoku**, **Gabby Sepiashvili**, **David Breines**, **Chris Wixson**, **Greg Boltz**, **Paul Weaver**, **Jason Thodos**, **Doug Adams**, **Art Caliskan**, **Grant Smale**, **Cliff Sellie**, **Roni Arusi** and **Kurt Schultz** entered the Over 40 Division of the tournament and returned with hardware in hand.

 **1-2**  The commencement of the tournament was delayed for several hours due to torrential rains and thunderstorms that had many quivering in their tents all night. But for **Todd Schneider**, the only annoyance at the nearby Comfort Suites, was the snoring of his room-mate, **Mel Qoku**. When the games finally got under way, Green White opened up against “Milwaukee” which was in reality just Tommy Izrov and a bunch of Schwaben guys in sheep’s clothing. Perhaps the lack of sleep hurt Green White as “Milwaukee” ran out to a quick 2-0 lead in the first five minutes of the contest. The opening goal came off a corner kick when **Paul Weaver** drifted from his mark, allowing an open header at the back stick and the second resulted from a **Kurt Schultz** hand ball in the box. But thereafter Green White pulled it together and early in the second half cut the deficit in half when a **Chris Wixson** shot split the defense and found the feet of **Doug Adams** who roofed it eight yards from the target. But that was as close as Green White would get as they dropped the opening match of the tournament.

 **1-0**  In their second match of the tournament, Green White took on Fichte Rams. By this time of the day, the sun had broken through the clouds and GW had shaken off the cobwebs. The lone goal of the match came on a nice buildup that had **Greg Boltz** play to the feet of a checking **Todd Schneider** on the right side of the box. With **Grant Smale** in full gallop, **Schneider** dummied the ball through for **Smale** to collect at the end line and pick out **John Dunkas** streaking into the box. **Dunkas’** shot picked out the corner, leaving the keeper flat footed. Still in the first half, Green White nearly doubled the lead when **Schneider** intercepted an errant pass in midfield; waltzed in uncontested to the top of the box and hit a screamer that plunked the left upright. The near miss was of little consequence since the defense remained ironclad throughout with **David Breines**, **Mel Qoku**, **Cliff Sellie**, **Paul Weaver** and **George Lymperis** on patrol. On the few opportunities allowed, **Gabby Sepiashvili** came up spades in net to preserve the victory.

 **3-1**  In the last game of group play, Green White faced an always tough Ukraine side. Unfortunately, needing a victory to keep alive hopes of advancing to the final, Green White gave up an early goal when **Gabby Sepiashvili** was jostled from behind, causing the ball to fumble out of his hands and into the net. But Green White got it back quickly on a familiar play as **Greg Boltz** once again inlet to **Todd Schneider** at the top of the box. This time

CHRIS DORAN IS CONSOLED BY HIS SON AFTER MISSING HIGH, LOW, WIDE RIGHT AND WIDE LEFT.

**Schneider** returned the pass for **Boltz** to pick out **Chris Wixson** near the penalty spot. **Wixson** quickly laid the ball back into the path of **Schneider**, who squibbed his shot right back to **Wixson**. But ever the cool one, **Wixson** collected and calmly side-footed past the keeper for the 1-0 lead. Following the intermission, **David Breines** eyed the goal as he broke forward from the back on an extended run, only to be tripped up several yards from the penalty box. While **Art Caliskan** and **Greg Boltz** deliberated over the free kick, the rest of the team flooded the box. **Boltz** ultimately took the kick, clearing the wall and the crowd to pick out the upper left 90. But the green team wanted more, and 19 year tournament veteran **George Lympertis** would not let this game pass without leaving his mark. Collecting the ball on the far side of the box, **Lympertis** weaved his way across the face of goal, strong-arming exhausted defenders in his wake before finally, and mercifully, picking out the near corner to secure the 3-1 victory.

With the win, Green White finished group play on 6 points from a 2-1 record. But there remained one last game in group before the team would be certain of advancing to the tournament final. Green White needed Fichte Rams to either beat or tie "Milwaukee" in the last match, and half way through, Green White looked to be a shoe-in as Rams raced to a 4-1 lead. With just 15 minutes remaining, it seemed inconceivable that any team could score four unanswered in such a short period of time. But as Green White began warming up

for the final, so too did Milwaukee; scoring one; then another and still one more to square the match at four-all. Those familiar with Green White luck know its never good, but this time the silent green prayers were heard as the final whistle sounded, sending Grün Weiss through to the finals.

 **1-0**  In the tournament final, GW squared off against tournament hosts and crowd favorites, Chicago Wings. The best chance of the game belonged to Wings on a shot from mid-distance that required a spectacular save from **Gabby Sepiashvili** to push the ball off the cross bar and out of play. At the other end, Green White made the most of their opportunities. Still, the lone goal of the match was a fluke to be sure. The ball was crossed into **Grant Smale** at the top of the box where he played a flick-on with the outside of his right foot for **Todd Schneider** who was playing the part of a statue and not moving anywhere. The ball; however, had quite a bit of spin and took a big bounce on its way to the keeper who looked capable of handling it rather easily. Obligated to at least make the effort, **Schneider** sluggishly closed on the keeper, causing the net-minder to momentarily take his eye off the ball, thereby sealing his fate as he bumbled, stumbled and fumbled the ball into his own net. It was not pretty, but it was a lead and Green White aimed to keep it. Shortly thereafter, Green White had a scare as defensive stalwart **David Breines** was chopped down by Wings' rabbit and star player. It turned out that Wings got the worst of the exchange because **Breines** came back to finish strong, while the Wings' main threat was done for the day. In the end, the GW defense clamped down to preserve the win and rightful claim as the 2009 Baraboo Tournament Champions.

## UNITED SERBS' TOURNAMENT

On August 15-16, 2009, Green White assembled a crew across the First Team, Reserves, O30s and O40s to defend their crown in the United Serbs' Tournament in Gurnee, Illinois. The patchwork squad included **Mike Mag-**

ner, **Eric Spiess**, **Greg Boltz**, **Chris Doran**, **Anthony Derose**, **Brandon McLemore**, **Keith Anderson**, **Nick Paul**, **Kyle Retzlaff**, **Tommy Cvetkov**, **JP Reyes** and a number of guest players.

GW opened with a 2-1 victory over Morava in which **Kyle Retzlaff** scored from the left side and **Chris Doran** made up for an earlier miss at an open goal with a redirected a pass over the keeper. In the second match of the tournament, Green White faced Schwaben AC in what proved to be a see-saw battle. **JP Reyes** scored from the penalty spot after a hand ball in the box. Truth be told, **Reyes** was stoned on penalty kick but the young buck was industrious enough to stick the rebound. But Schwaben game back with two quick goals to take the lead. Following a mystery goal that equalized (nobody could recall the details - I know - mental giants - all of them), **Doran** scored with a rocket volley from outside the box that made him momentarily feel his youth again - but then it faded with a ciggy break. Alas, Green White gave up two more, dropping the contest by a score of 3-4.

On day two of the tournament, Green White faced hosts, United Serbs. Due to injuries and prior commitments, the crew was short players and were joined by even more guest players, one of whom scored the opening goal for GW. **Brandon** "Don't call me Alvin" **McLemore** toe-poked a shot from the 18 that dribbled its way in for the second goal. Guest player Kiran (just Kiran - nobody knows his last name) was taken down in the box for a obvious penalty kick that was not given. It was good to be the hosts, because immediately following the non call, the Serbs marched down the field and scored to take the lead. Serbs scored a fourth goal as GW pushed for the equalizer and the game ended 4-2.

In their last game of the tournament, GW again met Schwaben, but this time the result would be different. Playing a man down, Just Kiran scored a brilliant free kick five yards from the left corner of the box into the top right corner. Later, **McLemore** finished a cross from the end line looped in by Kiran just over the keeper to the back post. **McLemore** got his brace when he turned in a pass from **JP Reyes** at the left side of the 18 and cracked a shot to the back right side of the goal. It did not go un-noticed that both **Eric Spiess** and **McLemore** somehow missed a shot over the crossbar from the 6 yard line. The procurement of the 3rd goal could not be recalled, but the end result was a GW victory.

With a 2-2 record, Green White was slotted into the final. But upon receipt of the news, GW informed the tournament organizers that they no longer had enough players to continue. Apparently, the same was true of the other would be finalists, so after crunching the numbers, Green White was handed the title and crown based upon goal differential. Not exactly a climatic triumph, but it was better than a kick in the pants. (*Reporting contributions from Eric Spiess, Brandon McLemore and Mike Magner*).

## OVER 40 TEAM CAPTURES ILLINOIS STATE CUP TITLE

**2-1**

On August 19, 2009, the GWO40 Team continued its successful form by capturing the 2009 Illinois State O38 Cup title with a 2-1 victory over St. Charles Celtics. GW went down to a goal midway through the first half, but stormed back within minutes to equalize when **Grant Smale** played in **Andy Finn** wide on the right. From his position on the bi-line, **Finn** picked out an on-rushing **Pat Nash** who nodded home from the back stick to level the match. For the remainder of the half,

GW weathered the physical play that claimed **Jason Thodos** with a separated shoulder; knocked **Greg Healy** out of the match for several minutes and saw **Nick Paul** take an elbow in the box. In the second half, GW found the game winner with a strong tackle from **Andy Finn** in the midfield that sprang **Todd Schneider** into the Celtic half. **Schneider** rounded the lone defender and as he closed in on the keeper, dished to a wide-open **Grant Smale** for the tap-in. Of course, it could not have been done without another stellar performance turned in by the GW defense, including a couple of clearances off the line, to preserve the victory and claim the championship.

Squad: **Todd Schneider, John Dunkas, Andy Finn, Greg Healy, Pat Nash, Jason Thodos, Nick Paul, Dan Donnellan, Chris Wellman, Russell Rosenberg, Gabriel Sepiashvili (k), Paul Weaver, Mel Qoku, Grant Smale.** Goals: **P.Nash** 1 (assists: **A.Finn, G.Smale**); **G.Smale** 1 (assists: **T.Schneider, A.Finn**).

## OTHER NEWS

**NEW FIRST TEAM COACH.** In August, **Jamie Limna**, who has served as the First Team coach for the last several years, decided it was time to pass on the clip board duties. All of Green White is thankful to **Limna** for his many years of devotion to the club and look forward to continued success under the guidance of **Jake Truty**.

**HELP FIGHT ALS.** As many of you know, long time Green White member **Maggie Gyurko** was recently diagnosed with ALS, otherwise known as Lou Gehrig's Disease. prostate, melanoma, and colon cancer combined. Despite this, lung cancer research is grossly underfunded, due in part to the stigma arising from its link to smoking. As many of you know, Elizabeth's mum, Linda, has been battling lung cancer for approximately 7 years. A non smoker her whole life Linda has endured painful surgery and countless rounds of radiation and chemotherapy over this time. Linda is currently doing well and will be present at the event. Green White Over 30 Team member and Loyola University Assistant Coach, **Tim McBride**, is looking for the support of a strong home crowd when his men's soccer team takes on highly rated St. Louis University on September 12, 2009 at 7:00 at Toyota Park. Like last year, the Ramblers hope to springboard their way to another successful season with a victory over a nationally ranked opponent. Last year, the Ramblers bested #5 Santa Clara 2-1 in their regular season opener. This year they look to do the same to pre-season #21 St. Louis. Come out and cheer on Loyola.
